STEPPING STONES EMPORIUM

Spray Tanning **£95+vat**

The spray tan course teaches you how to use and maintain your equipment and products professionally, along with top expert tips to ensure you give your clients a flawless tan every time.

Knowledge is power; our course will teach you all aspects of the spray tanning industry so you become an expert in your field. Learn valuable retail techniques and tips to boost your income on top of your spray tan business.

We understand how important it is to promote your business because without customers, there is no business. Our course will advise you on how you can market your spray tan business with the opportunity to buy from our extensive selection of marketing materials including our personalised promotional material.

Our course is accredited, by The Beauty Guild.
